Studio & Fabrication

Let our full-service fabrication shop build your vision into a reality. From exhibits and activations, to immersive brand experiences; our talented team of technical renderers, carpenters, welders, painters, foam sculptors and production artists deliver high quality custom builds, tailored to your specifications.

Graphic Design & Print Production

Immersive brand experiences require out-of-the-box print solutions. From design to substrates – the DBD Print Shop offers creative messaging solutions that encourage brand connection and guest engagement.

Rental Inventory

Imagine if a Hollywood movie set and home depot had a love child...that's what walking through our warehouse is like. When you look up, around, and behind you, all you see are creations, installations and innovations. Our inventory is vast, diverse, ever-changing and customizable; with many pieces that are able to support logo branding or a marketing message.

Entertainment

Entertainment is the lift-off for an extraordinary event. Music, comedy, art, and dance collide; lighting the fuse that ignites the senses. Whether it's custom choreography, designing costumes, or booking headliners, or choreographing live performances, they do whatever it takes to make jaws drop.
